Port Hinchinbrook Provisional Priority Development Area was declared on 10 November 2025:

The Queensland Government has declared the Port Hinchinbrook Provisional Priority Development Area (PPDA) – the first in Queensland’s history – to restore the area into a thriving tourism, commercial and residential precinct.

Located near Cardwell in North Queensland, the area is surrounded by Hinchinbrook Island National Park and the Great Barrier Reef Marine Park, boasting ecological treasures and a lifestyle unique to the region.

The PPDA will restore this 140-hectare site by addressing long-standing challenges and unlocking the precinct’s full potential. By resolving complex planning issues, the PPDA will deliver lasting benefits for Port Hinchinbrook, Cardwell and the wider Cassowary Coast region.
