14 Lawson Drive, Cardwell

Solid Lowset Home with Plenty of Potential

Positioned amongst established tropical gardens, 14 Lawson Drive, Cardwell presents a great opportunity for buyers looking for a solid, practical home they can update and make their own.

This lowset three-bedroom home offers a generous layout with spacious living areas, good-sized bedrooms and plenty of outdoor space. Vacant and ready for its new owner, the property would benefit from some cosmetic improvements, including fresh paint and new flooring to the bedrooms, providing an excellent opportunity to add value without having to start from scratch.

At the heart of the home is a functional kitchen with timber cabinetry and electric cooking, adjoining the dining and living areas. The large living area opens directly onto the

A Great Opportunity to Add Your Own Touch

The home has good bones and a practical floor plan, while its current condition leaves plenty of scope for a new owner

to refresh and personalise. A coat of paint, new bedroom flooring and some further cosmetic improvements could make a noticeable difference and give this property a fresh new lease on life.

Whether you're searching for a home to renovate at your own pace, a first home, or an investment opportunity, 14 Lawson Drive is well worth considering.

Life in Cardwell

Cardwell is a relaxed coastal township positioned between Cairns and Townsville, renowned for its spectacular natural surroundings and easy-going North Queensland lifestyle. With the Coral Sea and islands offshore and the rainforest-covered ranges providing an impressive backdrop, the area is particularly popular with those who enjoy boating, fishing and the outdoors.

The township provides everyday conveniences including shops, cafés, schooling, medical services and recreational facilities, while the beautiful Cardwell foreshore is one of the town's standout attractions.

14 Lawson Drive is vacant and ready for its next chapter. Contact Tamara Stokes at Hinchinbrook Real Estate today to arrange your inspection.
