Port Hinchinbrook Provisional Priority Development Area was declared on 10 November 2025:

The Queensland Government has declared the Port Hinchinbrook Provisional Priority Development Area (PPDA) – the first in Queensland's history – to restore the area into a thriving tourism, commercial and residential precinct.

The PPDA will restore this 140-hectare site by addressing long-standing challenges and unlocking the precinct's full potential. By resolving complex planning issues, the PPDA will deliver lasting benefits for Port Hinchinbrook, Cardwell and the wider Cassowary Coast region.
