## Perfect for the Large Family

Looking at starting a large family or wanting to extend? This is the house for you. The home is made of block construction and cladding, situated on a fully fenced, very large 1,012m<sup>2</sup> lot. There is plenty of room for the kids and their toys and maybe a pool. The home comprises four bedrooms all with fans, a lounge, rumpus room, separate dining room and spacious kitchen with built-in pantry. The casement windows take the breeze from the ocean to cool the house, and if you are still hot the public swimming pool is just next door.
